DATE:15.04.2026

Dear Parents,

As communicated earlier regarding the benefits of EI CARES, the school management is pleased to introduce the same for our students.

EI CARES is a futuristic assessment tool that provides customized, competency-based assessment programmes aligned with the school curriculum and in accordance with the NEP 2020 policy. It offers immediate and detailed feedback on each student's performance, thereby supporting continuous improvement in learning outcomes.

The school has decided to implement EI CARES to enhance students' learning and academic progress. For this programme, the company will be charging ₹2500/- per student per year.

The payment is to be made in two instalments:

- **First Instalment: ₹1250/- to be submitted to the class teacher by 30th April**
- **Second Instalment: ₹1250/- to be submitted by 30th September**
(RECEIPT FOR THE SAME WILL BE ISSUED)

We request all parents to kindly cooperate and ensure timely payment.

Warm regards,

DR.SR.TREESA ARCHANA
