Dear Respected Parents,

As we come to the close of another meaningful academic year, I extend my heartfelt gratitude to each one of you for your constant cooperation, trust, and partnership in your child's educational journey.

This year has been a testimony to what we can achieve together. Our students have grown not only academically, but also in confidence, discipline, creativity, and values. We are proud of their performances in academics, co-curricular activities, competitions, community outreach, and character formation initiatives. Each achievement—big or small—reflects the collective effort of students, teachers, parents, and management.

Your unwavering support at home, timely communication, encouragement to your children, and collaboration with the school have played a vital role in these successes. Education is a shared mission, and your involvement has strengthened every step we have taken.

Looking ahead to the coming academic session, we are introducing few enhanced learning facilities as part of our commitment to future-ready education. These include an upgraded AI & Robotics Lab to nurture innovation and critical thinking, skill-based learning programmes focusing on communication skills and financial literacy to equip students for real-life challenges, and a newly developed E-Library to promote strong reading habits and independent learning.

At Mount Carmel, we believe that true education shapes both the mind and the heart. As we reflect on this year, we are grateful for the opportunities to nurture responsible learners, compassionate citizens, and confident individuals ready to face the future.

Kindly note that there will be a change in the school house uniform for the upcoming academic session as informed earlier. You are requested to purchase the new house uniform for your ward before the summer holidays. The prescribed details of the cloth material and colour will be displayed on the notice board, and kindly ensure strict adherence to these specifications.

We look forward to continuing this beautiful partnership in the coming academic year. Let us keep working together to inspire our children to dream big, work sincerely, grow in values, and strive for excellence in all they do.

I would like to draw your kind attention to a few matters:

- The fee for the academic session 2026-27 will be revised by 10% hike
